on all your Print & Marketing needs.

You will enjoy exclusive savings on a wide variety of Print & Marketing Services including: Custom graphic design • Full-colour printing • Black & white printing • Posters and banners • Finishing services

Getting Started

Getting started is easy! Bring this letter **and** your Craft Ontario membership card to your local Staples store and ask a Certified Print Pro to enroll you in the Business Discount Program. The 10-digit membership number assigned to you will be set up to receive your special Craft Ontario pricing in 2-3 business days. Simply use your **exclusive BDP card** and your number when purchasing print products and/or services at Staples or when ordering online. Your special pricing will be set up in the system, and your discount will be deducted automatically from your total.

Associate instructions:

Please enroll the recipient of this letter in the Business Discount Program. They must be enrolled and provided with their unique BDP number before they can make in-store and/or online purchases. Please enroll the recipient as a Level 2 member and email their account number to the BDP Specialist who links new members to the Craft Ontario institutional account.

Staples has over 300 national locations where you can shop

Your discount is valid at any Staples Canada location, as well as with online ordering. It's so convenient to submit your order online at staplescopyandprint.ca and arrange to pick it up at any one of 300 Staples locations across the country, or have it shipped to your home or office. Save your Business Discount Program (BDP) membership number in your online profile and your exclusive discount will automatically be applied each time you check out.

Savings Structure

Our discount is based on the combined overall print spend of all Craft Ontario members. This is reviewed by Staples every few months, and the more often services are used, the more money members will save.

	Level 1	Level 2	Level 3
Annual spend	\$1,000 – \$5,000	\$5,001– \$10,000	> \$10,000
Instant Savings Deducted From Regular Retail Price	10%	20%	Custom Program

It is our pleasure to welcome you to the Staples Business Discount Program, designed to help grow your business while saving you time and money.
